Dedication

The year 1961 is for us a year of significance, a year to remember. For not only does it mark the close of our high school careers, but it introduces also--with the completion of our new high school--the beginning of an educational era abundant in modern facilities.

Though we can not share with those who follow the benefits certain to be derived from the new high school, we, nevertheless, can and here wish to express our deep appreciation to those men who have taken on the burden of engineering the many details involved in planning the construction and facilities which will go to make for a higher level of education in this school district. So that it is with a great deal of personal pride and pleasure we dedicate this yearbook to our School Board.

Student Council

The Student Council's first event of the year was the annual Homecoming Dance on October 21. Clarence Marten's band was hired for the evening. After the victorious game the previous afternoon, the dance set a climax to a successful and thrilling Homecoming.

In November, some of the members collected money in school for the Red Cross. If one contributed, his name was added to the list and he received a Junior Red Cross Pin. It was a very successful drive, collecting \$28 and the Student Council appreciated the cooperation shown by the students.

This year the bulletin board has been organized by the Council so that it can be put to better use. We hope this will be a benefit to the students and the faculty. Also, it will tell visitors what is happening around our school.

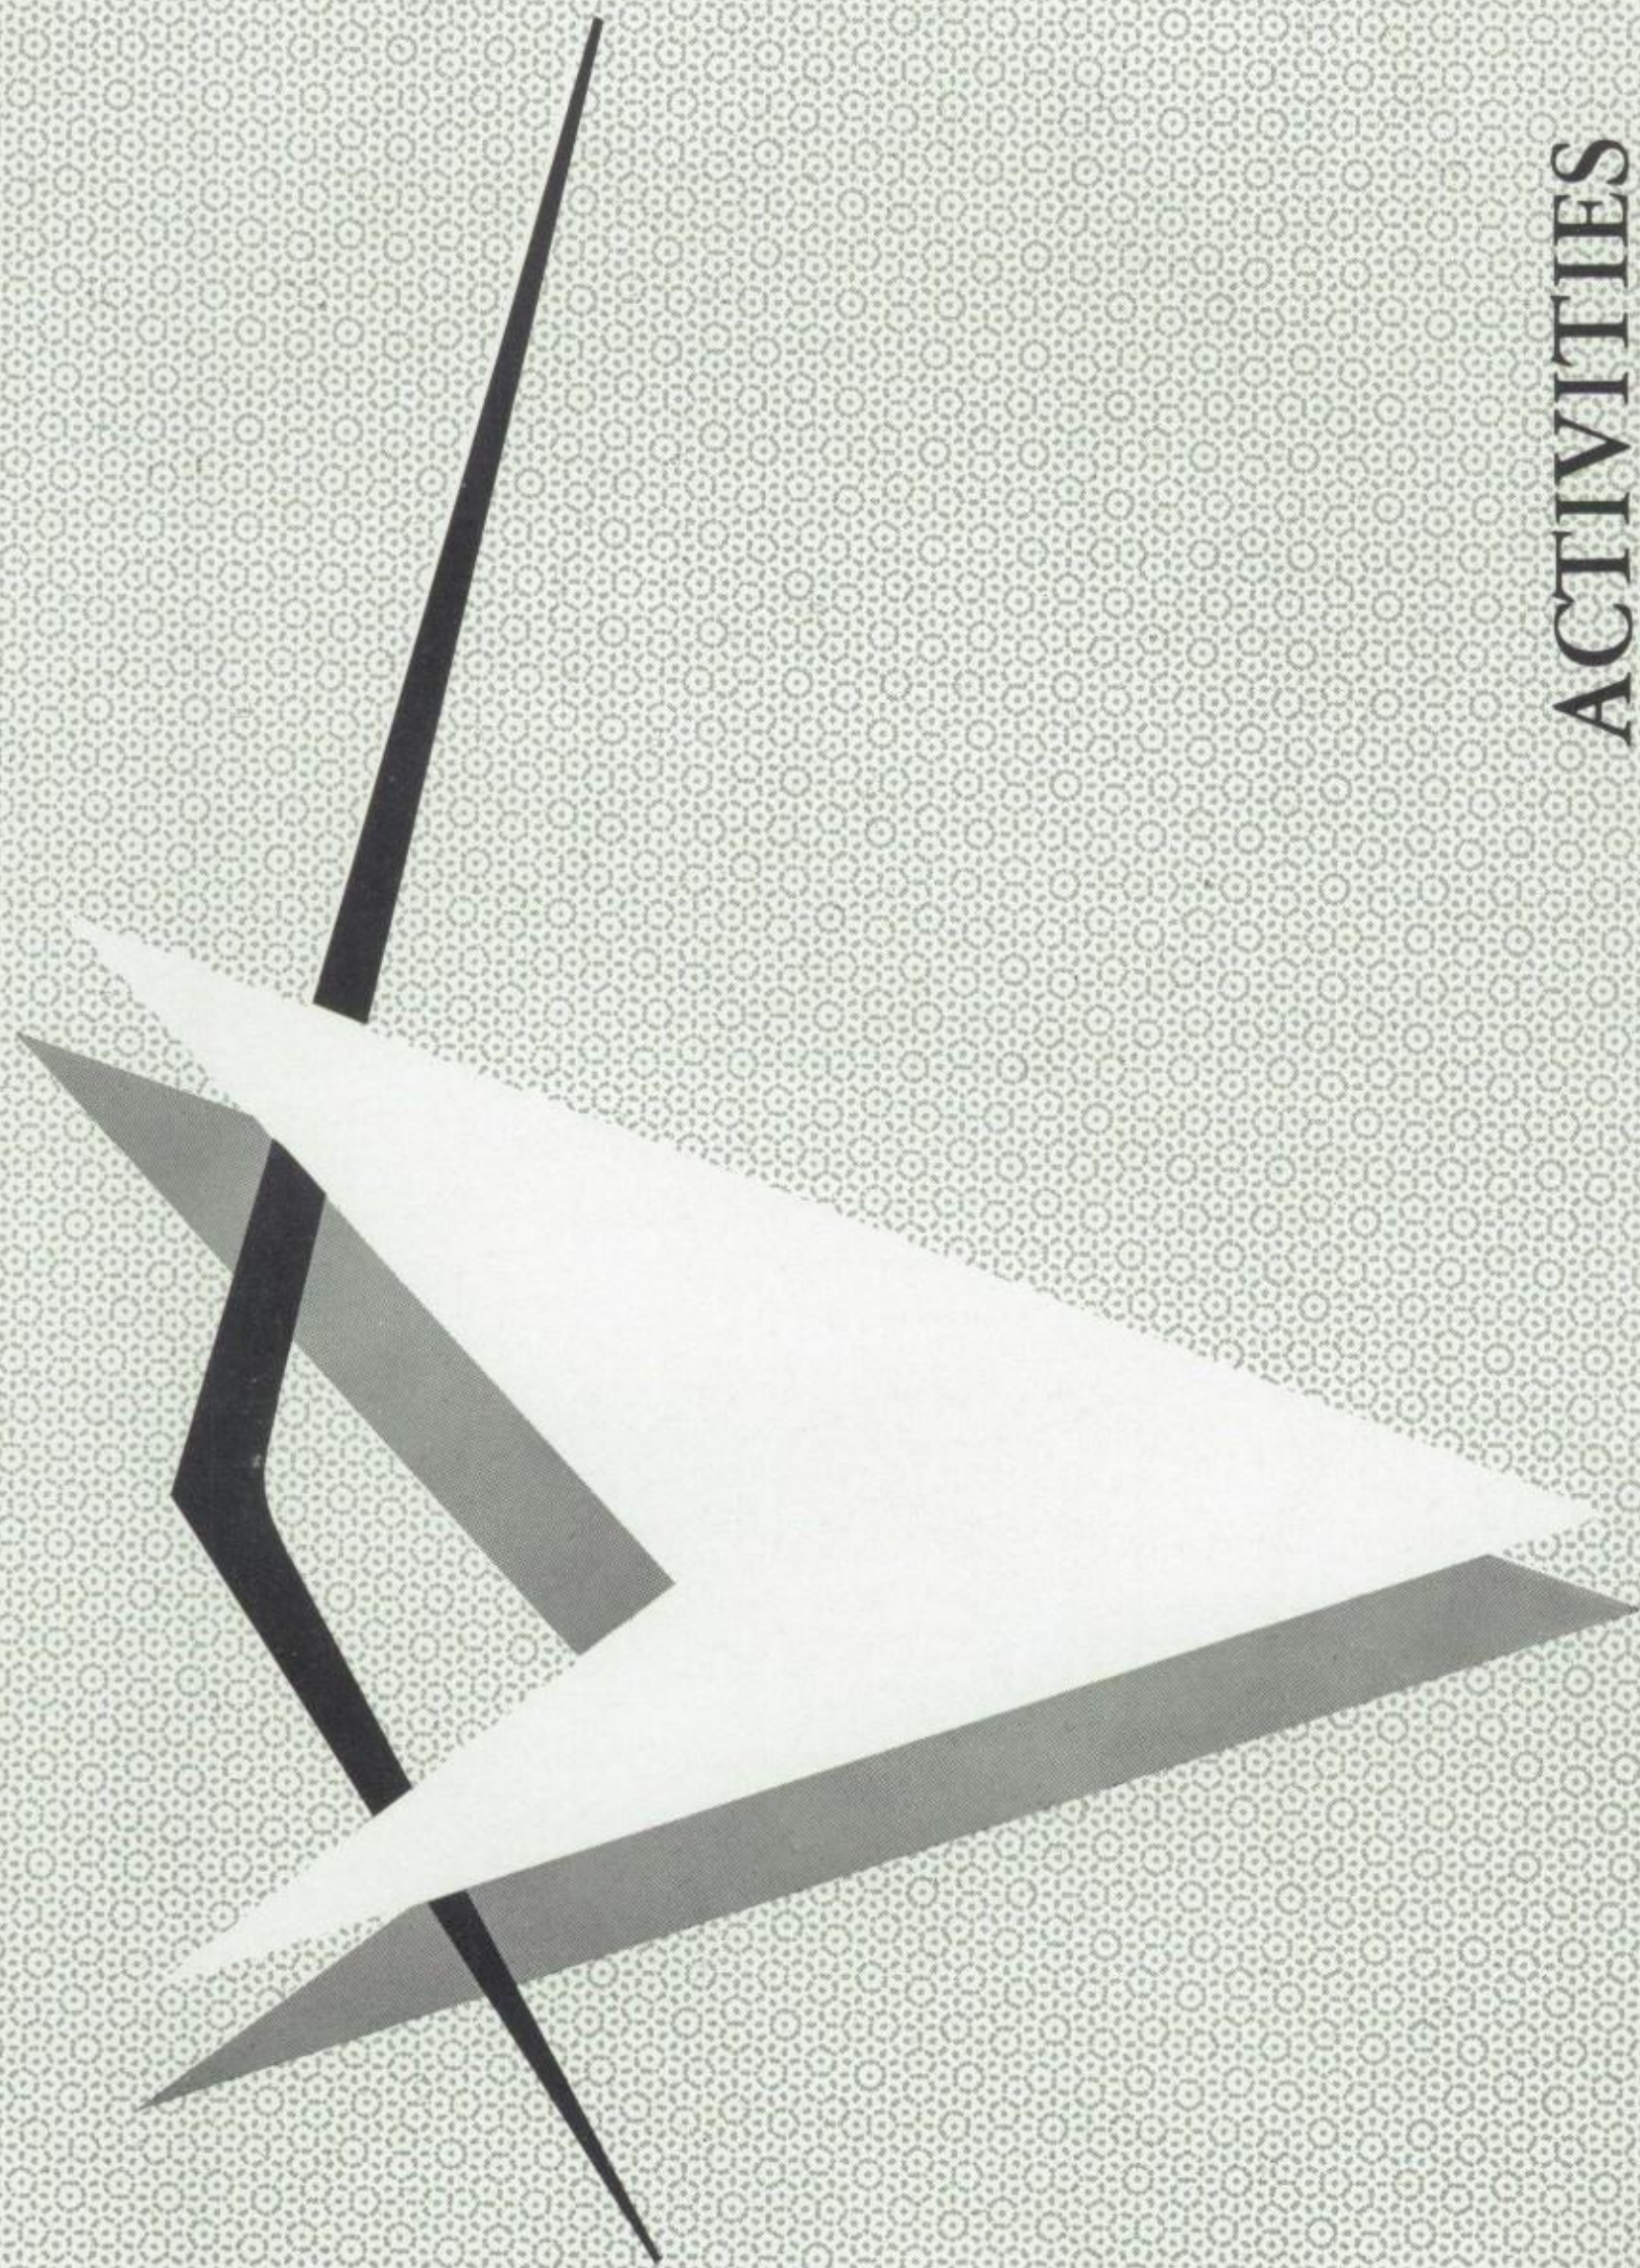

The Council has also invested in some posters on student behavior which have been posted and changed every few weeks on the bulletin boards in school.

A new organization, "the Honor Society," is being planned. This nationwide organization will include students who maintain good grades (a standard will be set by the school) and who are also approved by the faculty.

During noon hour the Student Council furnishes records and table tennis for the students.

Throughout the year, our activities were conducted under the guidance and direction of Mr. Gardner and Mr. Block.

Senior Band

Our band had a wonderful year under the direction of Mr. Valenti. Officers for the year were: G. Charapata, president; A. McClure, vice-president; B. Salewski, secretary; and R. Camlek, treasurer. Taking the position of drum major was E. Fenendael. Majorettes were M. Pelky, F. Camps, M. Brady, S. Simono, J. Lewandowski, and W. Temby.

Next on the agenda was the Snowball in which the F.H.A. and F.F.A. worked together. This dance was on December 21, 1960. There were quite a number of students, parents, and teachers in attendance. Reigning over the Snowball were Ken Rosner and Nancy Thomson.

Later in the year girls who had been working on degrees succeeded in receiving their keys to put on F.H.A. Pins. The key is the symbol of success in degree work.

Now we are planning to sponsor a trip for the junior class girls each year.

The FFA, under the direction of our new advisor, Mr. Walker, has had a very active year. Representatives of the FFA toured the Ford motor plant in Detroit in June. Several members were in attendance at the State Fair in Milwaukee. Together with the FHA, we conducted our annual Snowball.

Other activities included the scavenger hunt, FFA basketball, a tour of Badger Breeders and Badger Consolidated, and the annual initiation of incoming members.

Snowball and Initiation

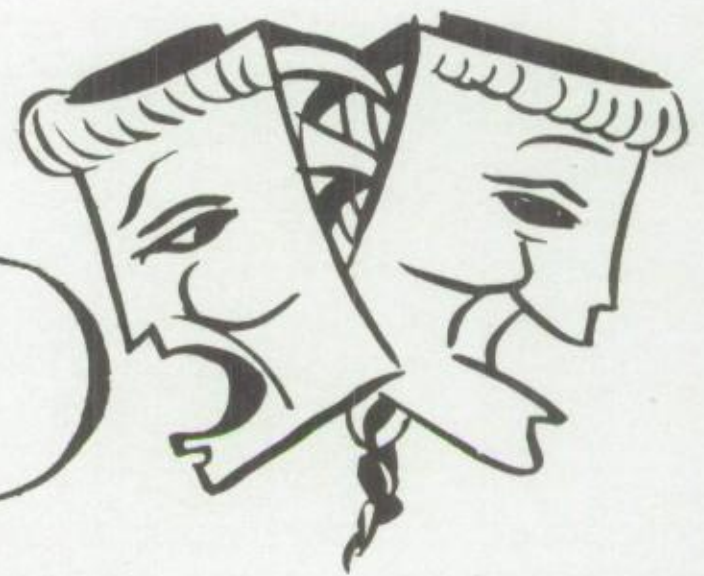

The purpose of the Drama Club is to give students opportunities to take part in actual acting and interpretation of character. Coming before an audience enables students to gain confidence in speaking before a group.

The actors of a play are only one part of a production. Students have opportunities to work with lighting, make-up, properties or stage work, prompting, and advertising. This year's presentation was "KEEP MOVING".

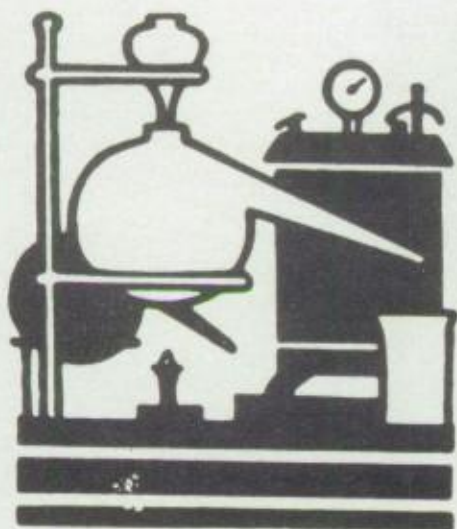

Dramatics - Forensics

Forensics helps the participants to become more aware of the problems of today, to learn how to organize and present their material in an interesting manner, and to develop poise.

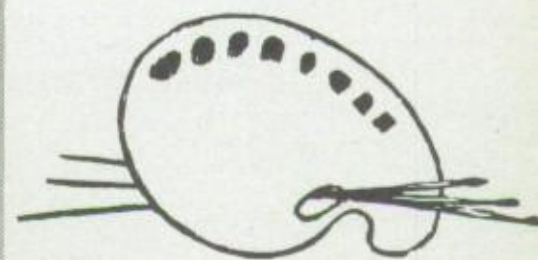

Students may present original speeches, interpretive reading, non-original speeches, declamations, or enter into various other classifications. The first elimination contest was held at the school, to determine who would take part in the district contest which was held at Coleman this year. Winners of the district contest go on to the state contest.

Science Club

The Science Club was organized this year and has been functioning under the direction of Mr. Leaper. This group has devoted their time to the discovery and cultivation of skills and talents based on scientific knowledge. A visitation was made to the Scott Paper Company in Marinette and Unit Structures in Peshtigo. Visiting Lecturers were invited to Coleman, each to talk along scientific lines.

The Creative Arts Club was organized so that students interested in art could use more fully their inherent abilities along lines of individual creativeness. One of the club's main objects presently is a competitive painting project in which the better creations are mounted and displayed on the walls of the school corridors. Mr. Jacobs is the club sponsor.

This year the Coleman High School Pep Club, numbering approximately 145 members, has taken an active part in many school activities as well as its main purpose of cheering and encouraging our teams.

Some of the money making projects undertaken by the Club included selling food jointly with the F.H.A. at the annual Homecoming game, and selling cougar pins, scarves, sweat shirts, and girls' sweaters.

At present, plans are in the making for earning money to buy something for the gym in the new high school.

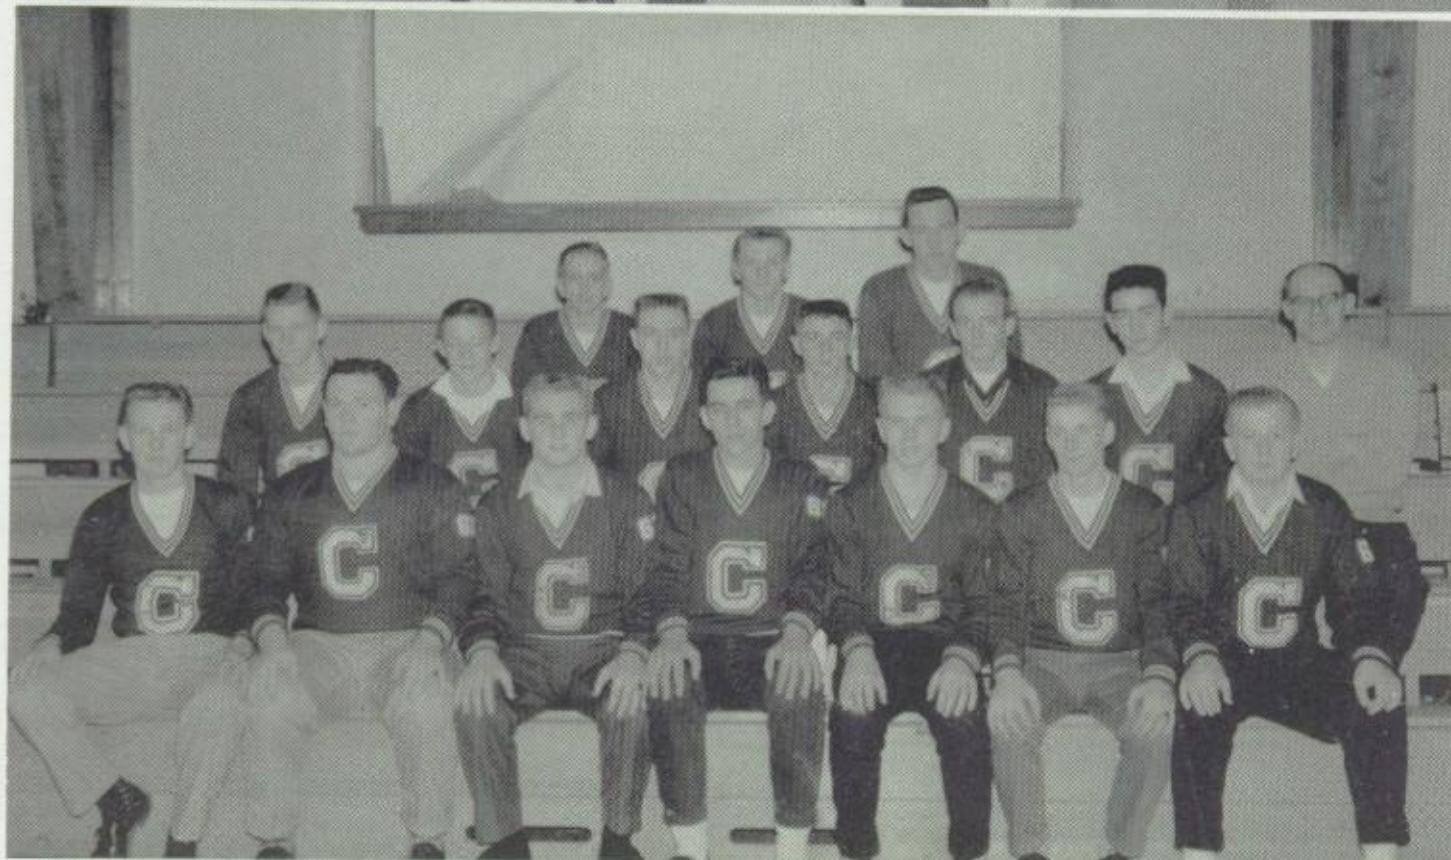

This year's officers for the Club are Sally Martens, President; Elaine Mongin, Vice-President; Jeanne Joy, Secretary; Faye Camps, Treasurer; and Judie Rebman, Reporter.

The cheerleaders for this year are Varsity: Elaine Mongin, Sally Martens, Marie Kust, Margaret Van Laarhoven, and Moira Pelkey. J. V. cheerleaders are: Pat Thomson, Jeanne Holly, Donna Guenther, and Retha Bunker. The Club advisor is Mr. Richie.

Again this year the "C" Club experienced considerable success in raising money for their various activities and projects. A 200 dollar payment was made toward the debt retirement on the whirlpool, an apparatus that has proven to be of great value to all the sports programs and the entire physical education program.

As in the past, a Parent's Day was conducted by the club for the fall and winter sports, and in March the seniors went to Madison for the state basketball finals. All in all, it was a most successful year for the CHS "C" club.

Initiation

The ChroniCler, under the supervision of Miss Weidemann, was issued quarterly this year. This project offers typing and office practice students an opportunity to obtain valuable first hand experience in journalism.

Audrey McClure and Simone Simono were editor and co-editor respectively.

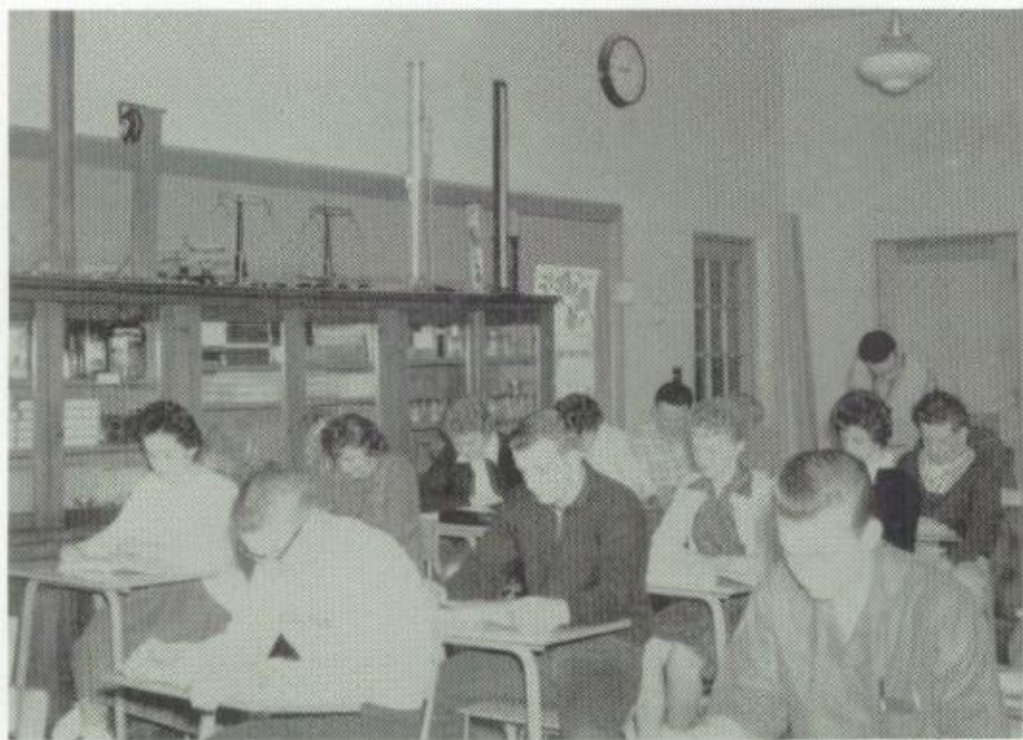

The Archery Club, under the direction of huntsmen, Rhode and Bloch, numbered some 25 members this year. Our president was Jim Charnesky and the treasurer, Ron Wardecke. We had two main projects for the year, the coat check concession at basketball games and wrestling matches, and the sale of arrows made by fellow members. Also, we have made targets for target practice in the gym.

This last March, as in the past, we went to the Sports Show in Milwaukee.

Our gridiron forces got off to a flying start in the 1960 season with an impressive 31-0 conquest of Catholic Central of Marinette. No less impressive was our second game in which the Cougars downed Kiel 39-6 on foreign turf. But Casco, from the Peninsula Conference, proved a more worthy foe as we were held to two touchdowns and a brace of extra points to win, 14-0. Casco, however, tough as they were, did not penetrate beyond our 35 yard line.

These three pre-conference games set the stage for the encounter with Lena, a game that proved a walk-away for the Cougar forces as they piled up a record total of 72 points, scoring practically at will. Lena failed to score.

Zaloudek, L. Nichols, E. Banaszak, G. P. Camps, W. B. Ott, D. VanDrisse, D. Krejcarek and R. Hoida.

From here on the story changes. A scrapping Gillett team, greatly aided by penalties that totaled 125 yards, scored in the closing seconds of the game to edge the Cougars, 7-6. Peshtigo downed us 27-0 and Crivitz took a 28-0 decision. In the closing game of the season, we returned to something that resembled our early season form to salvage the Homecoming event, a 19-6 win over Suring.

Throughout the season, Elmer Banaszak, Dan Skavda, Don Krejcarek and Nick Kinziger bore the brunt of the running, along with aid from the Zaloudek boys, Frank and Mike. The accurate throws of Gary Camps earned him all-conference honors. John Roy Vondross' defensive play brought him similar recognition.

This was a year of considerable frustration as our team seemed unable to put together a sustained scoring punch, dropping 13 of 16 contests. But there is also the brighter side, too. Though the junior varsity won 7 and dropped 8 games, quite a number of these boys were given an opportunity to play varsity ball, and this experience surely will pay worthwhile dividends in the seasons immediately ahead.

Roger Pillath

Roger Pillath and Jim Prochaska led a crack Cougar track squad to the M. & O. Conference championship, the Sectional crown at Schofield and on to Ripon where our boys placed third in the State Class B finals, scoring 18 points, just two short of runner-up Berlin and 8 off the pace set by Kimberly. Roger Pillath placed third in the shot and won the discus with a toss of 149 5 1/4", a new school and conference record and only 18 inches shy of the State Class B record.

Jim Prochaska won effort of 11' - 3" and in the half mile, a race ley relay team composed Chuck Antholt and Cliff Kostreva, qualified in place.

All in all, it was a banner year. Congratulations to coach Herbert and his fine squad.

The picture up in the left hand corner offers a typical action view of Roger Pillath, unquestionably one of the very best weightmen in the history of track at Coleman.

On the left, Mike Durocher, star half-miler, holder of the school record of 2:04.5, breaking the tape ahead of Cliff Corpi in dual meet with Menominee, Michigan.

Doubling here in the capacity of a relay man, Ray Wieczorek, along with Pillath, gave the Cougars a real one-two punch in the field events, especially in the shot put and discus.

COACH HERBERT

In the photo above, four-year veteran, Chuck Antholt, member of the medley relay team that placed 4th at State, and a fine team performer throughout his career at Coleman.

Antholt was used in the dashes and quarter mile from time to time, but gave up his individual performances to bolster the relay team. Chuckie was a great competitor, a real asset.

The track squad of 1960 went undefeated in dual meets and was perhaps the strongest team Coach Herbert has assembled, and he has put together some really good teams, dominating the M. & O. Conference annually.
